Department of Computer Science and Engineering

Dear Student,

Hope this letter finds you and your family in safe, healthy and in high spirits.

The Department of Computer Science and Engineering congratulate you for being promoted to the next semester. We would like to thank you for showing great flexibility and agility in this pandemic situation by participating in virtual classes actively. Your participation through Online Teaching-learning mode has motivated us to live with NEW NORMAL.

Keeping the spirits high and motive to stay connected with the students 24x7, we are opting for a unified teaching model in this new normal. Thus, to compensate for the loss of learning and keep you productively engaged, we are starting with the courses for Jul 2020 w.e.f. 9th Jul 2020. The mode of conduct for the classes would be Cisco Webex, Google Meet, Zoom with separate evaluation platforms.

We, DCSE, are highly committed to impart knowledge to our students through any mode will be continued through online mode. We hope that we will be meeting you soon in your class after defeating COVID-19.

We would like to conclude with a note of appreciation for your continued support and active participation as a family in these hard times.

Please do not hesitate to reach out to your faculty list in ANNEXURE.

Kindly go through the following documents attached with this mail:
